

THE ARCANE ARCHETYPES IN ELDRIDA

FOREST WIZARD

"One man's bug is another wizard's familiar."

Description: The Forest Wizard, often dismissed as a mere 'bug whisperer,' is a true connoisseur of the creepy-crawlies. With an Animarium at his disposal, he tends to bugs, snails, and centipedes as if they were his own children.

SWOT Analysis:

- **Strengths:** Ecological awareness, pet bugs
- **Weaknesses:** Socially awkward, allergic to people
- **Opportunities:** Bio-warfare, organic farming
- **Threats:** Pesticides, social events

STAR WIZARD

"Why settle for earthly delights when you can have cosmic wonders?"

Description: The Star Wizard is the self-proclaimed 'true mage,' drawing power from celestial bodies. He combines mana and stardust to create powerful tomes, although he occasionally has to soil his hands to catch a Star Frog.

SWOT Analysis:

- **Strengths:** Cosmic wisdom, starry eyes
- **Weaknesses:** Star frog dependency, prone to an existential crisis
- **Opportunities:** Space tourism, astrology
- **Threats:** Black holes, light pollution

SHAMAN

Quote: "Herbs and mana, that's all you need. Well, that and a good pestle and mortar."

Description: The Shaman is essentially a glorified herbalist with a knack for mana manipulation. He draws power mainly from herbs, which can have various effects, from healing to mana replenishment.

SWOT Analysis:

- **Strengths:** Green thumb, medicinal knowledge
- **Weaknesses:** Hay fever, easily distracted by shiny objects
- **Opportunities:** Pharmaceutical industry, organic cafes
- **Threats:** Overharvesting, synthetic drugs

BATTLEMAGE

Quote: "Why throw punches when you can hurl fireballs?"

Description: The Battlemage is all about power and combat. He enjoys hurling fireballs and causing massive damage. A master of Adventurers Corner, he motivates adventurers and becomes a strong military leader over time.

SWOT Analysis:

- **Strengths:** High HP, strong attack and defense
- **Weaknesses:** Short temper, prone to friendly fire
- **Opportunities:** Mercenary work, security consulting
- **Threats:** Pacifism, water buckets

TIME MAGE

"Time flies, but so do I."

Description: The Time Mage is a mysterious figure, often doubted to even exist. He manipulates time, causing rifts in reality and bending the space-time continuum.

SWOT Analysis:

- **Strengths:** Time management, reality manipulation
- **Weaknesses:** Chronophobia, existential crises
- **Opportunities:** Time travel tourism, historical documentaries

- Threats: Paradoxes, running out of thyme

DARK MAGE

"Why be a candle when you can be the entire shadow?"

Description: The Dark Mage practices forbidden magic, drawing dark power from the Dark Lord. This power comes at a price, of course.

SWOT Analysis:

- Strengths: Dark arts, intimidation factor
- Weaknesses: Moral ambiguity, high energy bills
- Opportunities: Nightclubs, goth fashion
- Threats: Exorcists, daylight
